GPTs解説動画

第1章_GPTs解説動画

The screenshot displays the ChatGPT interface. On the left is a dark sidebar with a list of GPTs: ChatGPT, Ultimate consult..., takumi, 自動小説生成GPT, エッセイ風 Diary C..., and Explore. Below these are sections for '昨日' (Yesterday) and '過去7日間' (Past 7 days), each containing a list of recent prompts. The main chat area is titled 'ChatGPT 4' and features the OpenAI logo and the text 'How can I help you today?'. Below this are several suggested prompts in Japanese:

- デザイン原則を比較する
モバイルアプリとデスクトップソフトウェアのために
- オプション取引を説明する
もし私が株の売買に詳しい場合
- 旅程を計画する
オーストラリアのアウトバックで野生動物を体験する
- 楽しい活動を提案してください
雨の日に家族4人が室内でできること

At the bottom of the chat area, there is a text input field with a microphone icon and the placeholder text 'Message ChatGPT...'. Below the input field, a small disclaimer reads: 'ChatGPT can make mistakes. Consider checking important information.'
